CLEARINGHOUSE RULE 00-018

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. The department’s analysis indicates that the rule would allow students to receive classroom credit for visiting an actual establishment. The rule, however, appears to be broader than the analysis indicates. The rule provides three exceptions to the current restriction: (1) structured salon visits; (2) instruction for individual student needs; and (3) instruction for industry trends and electives. The latter two exceptions do not appear to be necessarily confined to instruction at actual establishments. Perhaps clarification is in order.

b. Is it clear in the rule to what “electives” refers?
